Refund Policy

There are no refunds for student cancellations. However, if you cancel with more than 2 weeks before the class your entire deposit will apply to another class. If you cancel with more than 1 week but less than 2 weeks before the class, half of your deposit can be applied to another class. If you cancel with less than a week before the class, none of your money will be applied to another class unless extenuating circumstances apply. If you pay but just do not show up, your course fee will not be refunded or applied to another class unless extenuating circumstances apply. In all cases, the instructor will determine if extenuating circumstances are valid. If the class is canceled because at the instructor's prerogative, the student must try to reschedule to another class before the deposit will be refunded.
